# *Welcome to Lizzy's Beauty Salon...*

I have been a beauty therapist for 20 years working from home while raising my children.

I decided to open Lizzy's Beauty in Southgate in October 2007 to offer my experience and knowledge to a wider clientele offering the same friendly, homely service but within a professional salon environment.

Each member of staff has been carefully selected and fully trained to offer the same high quality of service that our clients have come to expect at Lizzy's.

We pride ourselves in offering the best quality of treatments in a warm friendly and professional environment, making Lizzy's...  
*...a unique and personal experience.*

# Ellipse Light Hair Reduction

Permanent hair reduction, fast efficient treatment with the LEADING LIGHT of IPL SYSTEMS. Proven clinical results. Ellipse Intense Pulse Light uses short, safe bursts of light emitted from a flash lamp to remove unwanted hair.

Hair contains pigment (melanin) that absorbs the light and converts it into heat. The hair transmits this heat into the hair follicle, which is destroyed, rendering it unable to produce new hair.

We provide a FREE consultation and patch test.
